I. Announcements

- End of Semester

II. Scholarships

- ACEC Illinois Scholarship
- NASA MUST Scholarship

III. Internships/Full Time

- Motorola Summer Internship
- Lightspeed Summer Grant Program

End of Semester

I hope you all enjoyed your time in school, but alas the end of the semester is rapidly approaching us. The only things standing in our way now are the final exams and then it’s off to winter break. Good luck with those exams and have a happy and safe break. See you all in January!
ACEC Illinois Scholarship

Awarded by the American Council of Engineering Companies-Illinois
Thirteen $1500 scholarships will be awarded
The top scholar will also receive the $2500 Lonnie H. Carter Memorial Scholarship and will advance to national scholarship competition

ACEC-IL invites you to apply for their awards for the 2009 calendar year. Students entering junior, senior, or graduate school and whom are enrolled in an ABET-approved major are eligible to apply for this award. To see a listing of acceptable majors and for the application please visit http://www.acec-il.org/scholarship.cfm.

NASA MUST Scholarship

Minimum 3.0/4.0 GPA required
Freshman, Sophomores, and Juniors are eligible to apply
Must Be a U.S. Citizen majoring in a STEM-related field
Deadline: February 1, 2009

NASA is seeking bright students to join the ranks of previous MUST scholars. MUST: Motivating Undergraduates in Science and Technology, seeks to engage underrepresented minorities in STEM related fields. Benefits of the MUST scholarship include half of tuition paid in addition to the opportunity of interning for NASA. For a detailed explanation of the application process please visit http://scholarships.hispanicfund.org/applications/subsectionID.1,pageID.139/default.asp.

III. Internships/Full Time

Motorola Summer Internship

Andre Williams, SW Engineering Manager at Motorola, is seeking talented EE, CS, and CompE majors to fill Electrical and Software Engineering positions at Motorola. Anyone who is interested is encouraged to send Mr. Williams a resume at andre.williams@motorola.com. Additionally, please CC Mr. Ivan Favila, Assistant Dean and Director of MEP, at ifavilla@illinois.edu so that he may keep track of students interested in the positions.
Lightspeed Summer Grant Program

Funded by Lightspeed, a venture capital firm based in Menlo Park, CA
Office space provided to student teams who receive the grant
$10,000 per student in a team, plus $5,000 discretionary spending per team for a team project

Lightspeed Venture Partners hereby offers undergraduates an opportunity to explore entrepreneurial projects in energy and technology in the Summer of 2009. Groups of 1 to 4 people may submit project proposals as a team. Each team must include at least one full time undergraduate student. For more information about the program please email questions to John Vrionis at john@lightspeedvp.com or visit www.lightspeedvp.com.
