Google Chicago Office Visit

Friday, November 21st 2008
We will depart from Champaign-Urbana at 8 am

Active members of the Latino/a Computer Science Club are invited to attend. Come check out why Google is the number one place to work!

II. Announcements
Engineering Job Shadow Program Info Session

Monday-Friday, Nov. 3-7; 9:00 a.m., 10:00 a.m., 11:00 a.m., 1:30 p.m., 2:30 p.m. & 3:30 p.m., 3260 DCL
Sponsored by Engineering Career Services http://engineering.illinois.edu/ecs

Attention freshmen and sophomores. Do you know what career path you would like to follow upon graduation? If not, consider shadowing a real life professional to help you make your decision. Attend one of the sessions at the dates and times listed above for more information and to learn how to participate in the program.

III. Scholarships

***************************************************************************

Outstanding Freshmen and Sophomore Award

Sponsored by Tau Beta Pi
Commemorative award of $250

Outstanding Freshmen and Sophomores are encouraged to apply for this award. You do not need to be a member of Tau Beta Pi to apply for this award. Please visit http://tbp.ec.uiuc.edu/ to download the application. Nominations are due November 26 in 111 Engineering Hall.

Microsoft Undergraduate Scholarships

Applications due February 1st, 2009
For information and to apply please visit http://www.microsoft.com/college/ss_overview.mspx

Four Different Scholarship Classes Available:
- General Scholarships
- Women’s Scholarships
- Underrepresented Minority Scholarships
- Scholarships for Students with Disabilities

Eligibility Requirements:
- Must be enrolled as an undergraduate within North America
- Must be pursuing a degree in Computer Science, Computer Engineering, and related fields
- Must maintain a 3.0/4.0 GPA (4 point scale), or a 4.0/5.0 (5 point scale)
IV. Internships/Full Time

Electronic Arts Summer Internships

Application period ends February 28
Apply online at https://jobs.ea.com/students/usa/intern.aspx

Do you have a passion for games? Have you ever wanted to be a part of game development? Well, here’s your chance to put your passion and skills to work.

NASA Aeronautics Scholarship/Internship Program

Application period ends January 16, 2009
Administered by the American Society for Engineering Education
Open to Undergraduate and Graduate Students

The ASP program is now taking application for 2009. Recipients of this award will receive a scholarship to be paid in full over two years, in addition to a $10,000 summer internship position at a NASA research facility. Graduate students who receive this award will also receive a stipend. For eligibility requirements and to apply please visit https://nasa.asee.org/.
