Prerequisite Flow Chart for Computer Science (Math Track)*

* Students are required to take three 400-level Math electives. Prerequisites and offering patterns vary by course. Be sure to plan ahead!

** CS 233 can be taken semester 3 or 4. Students with credit for both CS 231 and CS 232 do not need to take CS 233.

† Alternatives to CS 475: MATH 413, MATH 417, MATH 432, MATH 453, MATH 482
