General Information

• **EDBT:**
  – International Conference on Extending Database Technology

• **ICDT:**
  – International Conference on Database Theory

• @ Brussels, Belgium
• March 23-27, 2015

• EDBT information:
  – 42 out of 168 research papers
    Acceptance rate: 25%
  – 5 out of 15 vision papers
    Acceptance rate: 33%
• ... Next to the Royal Palace of Brussels
Keynotes

• Keynote I: Christoph Koch
  – Abstraction without regret in database systems construction

• Keynote II: Rasmus Pagh
  – Large-scale similarity joins with guarantees

• Keynote III: Wolfgang Lehner
  – Next-Generation Hardware for Data Management
    – more a Blessing than a Curse?
Test of Time Award

• EDBT
    – Ralf Hartmut Güting

• ICDT
  – Efficient Computation of Frequent and Top-k Elements in Data Streams (2005)
    – Ahmed Metwally, Divyakant Agrawal, and Amr El Abbadi
EDBT/ICDT 2016

• @ Bordeaux, France
• March 14-18, 2016
