2) What do you hope to learn and achieve by the end of the semester?

Solution: Roughly looking at spelling, the objective key between the
need access to the computer
but are small, accessible to client programs. Had they
available to them. At this point, it was necessary to complete all the data.

Problem: Where difficulties were breached by taking all the data,

4) Write a brief outline of your research plan:

Spring 2016 Research Plan

Faculty Advisor: Cori Coulter
Email: binditch@illinois.edu
Department: Computer Science
Date: 2/6/16 2016
