Spring 2016 Research Plan

1.) Write a brief outline of your research plan:
   a) I will help make an application that will help collect information of research participants digitally using tablet.
   b) I will probably learn about building a game for use in experiments.

2.) What do you hope to learn and achieve by the end of the semester?
   I will learn how to make applications; I hope also to learn about how to build games that are not only enjoyable but also capable of collecting behavioral and cognitive data from participants. I also want to improve my skill of cooperation.
