Fall 2017 Research Plan

1.) Write a brief outline of your research plan:

Sep 20: Build an app, based on Twitter, using React
   Learn JavaScript and React

Oct 20: Have a running database that pulls from Twitter

Nov 20: Have sliders that filters tweets

Dec 20: Have trials with the app

2.) What do you hope to learn and achieve by the end of the semester?

I hope to learn more of the programming languages and to expand my programming skills. I also want to meet other people with similarities in interests as me, and learn from them. I hope to help create and see the results of the research project.
