Spring 2018 Research Plan

1) Write a brief outline of your research plan:
   - Feb 9  3 weeks of mockups, testing websites (Design)
   - Mar 9  2 weeks for first live prototype, using location data. Also 1 week for presentation prep.
   - Mar 17  3 weeks for second live prototype, using associates, purchase history, credit scores.
   - Apr 9  2 weeks for final presentation and demo prep.

2) What do you hope to learn and achieve by the end of the semester?
I am enthusiastic about having my first opportunity in a research-driven setting to apply and build upon the programming skills that I have been developing with projects and classes. Specifically, I want to become proficient at building web apps with real-world technologies such as JavaScript and ReactJS.
