Checking our records of your scores

Scores online:

- By 1pm on the last day of class (Wed. 8 December), all grades will be entered into the online system.
- Please check your scores online, to make sure that they are correct.
- Email your professor (sahlgren@illinois.edu or Laugesen@illinois.edu) by Friday, December 10 at 5 pm to report any errors.

Your online homework score is entered in the system as \textit{qu1}.

- It is entered as an average out of 100.
- The lowest two scores were dropped before computing the average.
- You can check all of your online homework scores in Webassign by selecting the links Grades >> My Scores Summary >> Homework

Worksheets are entered as \textit{pr1, pr2, etc.}

Written homework is entered as \textit{hw1, hw2, etc.}

The lowest two scores in each of these categories have been dropped.
Your course total so far (for all items except the final exam) has been computed using the formula given in the syllabus.
