Information for Midterm 2

The exam begins at 7:15 pm on Tuesday, March 13.

- You may stay until 8:30pm.
- The exam will start promptly at 7:15pm, so arrive early.
- **Bring your student ID** both for identification and because you **MUST** know your UIN which is printed there. You should also know your NetID as well as which discussion section you are registered for.
- Any student who fails to show proper ID, fails to know their UIN, or incorrectly records their UIN on the exam, will receive a grade of zero on the exam.
- Room assignments will be posted by Monday, March 5. You must sit in your assigned room/building.

Conflict exams

If you have a conflict with the Midterm Exam 2 time, please consult the university policy on evening midterm exams. Based on that, if you qualify to take the midterm exam 2 conflict exam, you must submit a properly formatted Conflict Request Form, **no later than Tuesday, March 6 at 6:59pm**. Your professor reserves final judgment as to which exam you will take. Conflict midterm exams are held the same night as the regular midterm exams from 9:15 - 10:30pm. As with the regular exam times, arrive early with your photo ID. Any student that shows up to take a conflict exam, without having registered at least one week in advance, will receive a zero on that exam.

To request to register for a conflict exam for Exam 2, complete the

**CONFLICT EXAM 2 REQUEST FORM**

as soon as possible, but no later than Tuesday, March 6 at 6:59pm. (A conflict exam request for any of the other exams must be submitted separately and in accordance with those criteria found on this course webpage.)

If your conflict is with an exam for another class, then that class **must** also offer a conflict exam. You can choose which conflict you wish to take.

**If your request for a conflict exam is approved:**

- Course staff will email your "@illinois.edu" email account to confirm your registration by 5 pm on Wednesday, March 7. This email will come from staff-math241sp18@illinois.edu.
- The conflict exam will be held at 9:15pm on Tuesday, March 13. Location will be announced in your confirmation email.
- Once you have registered for the Conflict Exam for Midterm 2, you are required to take the conflict exam. Failure to do so will be considered an unexcused missed exam, meaning your Midterm Exam 2 score will be recorded as a zero.

After completing a conflict registration request form, if you are unable to attend the conflict exam time as well, course staff (email address: staff-math241sp18@illinois.edu) will be in contact with you via your "@illinois.edu" email account. Failure to respond promptly and appropriately to this email will result in you receiving a zero on that exam.

Basic information

- The exam (tentatively) covers all material from §14.4 – 14.8, chapter 13 (no curvature), and §16.1, 16.2, Lecture 10 through Lecture 20 on the schedule, worksheets 6 through 9, quizzes 3 and 4, and webassign homework 9 through 17. Conservative vector fields are not covered on this exam.
- You are responsible for all topics covered in homework, lectures, and discussion section worksheets and quizzes.
- You are responsible for all topics in the text which have been mentioned in class.
- See the schedule of topics covered, along with links to worksheets, quizzes, online webassign homeworks, announcements and so on, at the course website.
- You will need to know the name of your T.A. and which section you are registered for.
- The exam will be a mixture of free-response, multiple-choice and True/False questions. For free-response questions, you must show
work that justifies your answer. In those problems, no credit will be given for correct answers without proper justification.

- No notes or extra papers are allowed.
- No phones, calculators, iPods or electronic devices of any kind are allowed for ANY reason, including checking the time. You may use a simple wristwatch.
- Any act of academic dishonesty (e.g. looking at a cell phone or another student's paper) will be dealt with under the student code of conduct.
