Degree Progress

Tracking Your Degree Progress

Keep track of your progress towards graduation here. Please remember it is very important for you to speak with an advisor (your faculty advisor, your department’s advising office, or a dean in 206 Engineering Hall) on a regular basis. The materials found here are meant to only be guidelines.

- Know the campus general education requirements
- Access the Liberal Education course list
- Understand probation and drop rules
- Keep track of the courses you've taken, the courses you still need to take, and your grades. Run an Unofficial Degree Audit from the Registrar's Office.
- Familiarize yourself with our withdrawal and readmission policy and procedure.

Run an Unofficial Degree Audit
