Give us your feedback

Have any ideas to make Dr. Everitt's Neighborhood better, such as new articles you want to see? Let us know! Some ideas we have include:

- More advice about Graduate School
- More Professor Interviews
- Advice about undergraduate research
- More advice about Job searching / interviewing
- Student Internship Experiences
- Information about sub-fields of ECE (beyond course reviews)

Which of these would you like to see? Do you have any ideas of your own?
