Welcome to the Brett Daniel Software Engineering Seminar (cs591se), named in the loving memory of Brett Daniel.

Organized by Tao Xie and Darko Marinov since Fall 2013. Before Fall 2013, the seminar was co-organized by Danny Dig (from Spring 2011 to Spring 2013), Ralph Johnson (from inception to Spring 2011), and Darko Marinov (from inception to Fall 2012).

For seminar announcements, please subscribe to the soft-eng mailing list.

To access papers for the seminar, one could use the library proxy bookmarklet or proxy server to get free access.

Fall 2018

For the Fall 2018 semester, the SE seminars are co-organized by Wenyu Wang.

We meet at 3124 SC, from 2:30pm to 4pm, on each Wednesday.
