Home

Welcome to the Brett Daniel Software Engineering Seminar (cs591se), named in the loving memory of Brett Daniel

Organized by Tao Xie and Darko Marinov since Fall 2013. Before Fall 2013, the seminar was co-organized by Danny Dig (from Spring 2011 to Spring 2013), Ralph Johnson (from inception to Spring 2011), and Darko Marinov (from inception to Fall 2012).

For seminar announcements, please subscribe to the soft-eng mailing list.

To access papers for the seminar, one could use the library proxy bookmarklet or proxy server to get free access.

Spring 2019

This semester the seminar is co-organized by Vimuth Fernando.

Spring 2019 meetings: 2124 SC (except when noted), 1pm-2:30pm, on Fridays.
