DSSI 2012 Summer Institute -- Information Network Mining

Schedule and Course Slides of 2012 DSSI Summer Institute: Information Network Mining

This website contains tentative schedule and course slides for the Session of Information Network Mining at 2012 DSSI Summer Institute, to be lectured by Dr. Jiawei Han, CS, UIUC.

June 4 (Monday) 1-4pm Introduction to Data Mining and Network Science

Part 1. Course Introduction
Part 2. An introduction to network analysis

June 5 (Tuesday) 1-4pm A General Introduction to Information Networks

Part 2. An introduction to network analysis
Part 3. Mining Heterogeneous Information Networks

June 6 (Wednesday) 1-4pm Mining Information Networks

Part 3. Mining Heterogeneous Information Networks

June 7 (Thursday) 1-4pm Mining Cyber-Physical Systems

Part 4. Mining Cyberphysical Systems

June 8 (Friday) 1-4pm Mining Cyber-Physical Systems

Part 4. Mining Cyberphysical Systems
