Research Project Proposal

Three to five page project proposal, with name, title, abstract, introduction, related work and reference list should be handed in for comments and feedback.

When and What to Submit?

Please submit the proposal at Illinois Compass-2G before Sunday night (11:59pm CST) at the end of the 5th week. If you submit after that and before 11:59pm CST Monday, it will be marked as “late”. If you submit after that, it will be marked as “missed”.

Your research project can be single person project or a small group of size two to three. In rare case, we may approve group of size four.

We hope your proposal and final project have the same group members but with the development of the project, it is possible that the proposal and final project report may have different claims with different group compositions.

For group research project, please submit only one copy and the other student submit one page containing one sentence: The full research or survey proposal is submitted by whom (with names and netid made explicit).

Content of the Proposal:

- Title
- Your name (including the names of all the participating students)
- Abstract and Introduction (What topics are you going to work on? Why do you want to work on that topic? What results are you expected to get?)
- Related work (What related papers are you going to read on this topic?)
- Reference List
